### **Official Guidelines for 1 Year Lease Prize**

Only the first place winner will qualify for the prize.

The prize is a 1 year lease of a 2020 Nissan Versa.

The Versa awarded will be of the dealership's discretion.

The winner must qualify independently for approval through Nissan Motor Acceptance Corporation for financing approval in his/her name for 1 year Single Pay lease. Transfer or substitution of ownership is not permitted.

Valdosta Nissan will pay the 1 year single pay lease directly to Nissan Motor Acceptance Corporation.

The winner will be responsible for maintaining full coverage auto insurance for the entire duration of the 1 year lease.

The winner will be responsible for fuel and any maintenance and repairs needed to keep the car operating, that are not covered by the factory warranty.

In accordance with Georgia Law, the customer will be responsible for all Sales & Ad Valorem taxes due to the Department of Motor Vehicles and/ or local tax accessors office related to the vehicle.

At the winner's choice, or if they can not qualify for the lease financing or meet any of the guidelines above, they may opt to accept \$2,000 cash in lieu of the 1 year lease.
